

CATEGORY: Addressing a report of abuse	Case Study # 12
TITLE: Student reports her abuse, but then recants	DATE: 12-28-2014
SUB-TITLE:	
LOCATION:	
<p>A high school student told her friends that she had sex with two teachers but was afraid to report it. One of the friends reported it to a teacher. The teacher reported this information to the Principal. When the Principal spoke to the student, she recanted her story.</p> <p>One of the alleged offending teacher plans to continue at the school and the other is moving to another school in the coming year.</p>
